CLASS HISTORY, GRADES 10-12

High school really began for the Seniors of 1954 when they elected Mr. McLaughlin as their class advisor in their sophomore year. Since the financial situation of the class was almost desperate, we began a series of money-making projects under Mr. McLaughlin's direction. First there came football pencils and concessions after the games. There were pie sales at noon in the typing room. Then we sold basketball pencils. We will long remember our mammoth noon-hour concession stand in the corridor. We then became known as the money-making class.

The class sponsored several dances after the games, and of course, the Mistletoe Hop and the Leap Year Frolic. We attended the games and our candidate, Pat Webb was chosen Homecoming Queen. In the spring, *Murder Mansion* was presented by the class. We sponsored the Senior Farewell Dance and held our class picnic at Pioneer Pavillion in Mill Creek Park.

In our Junior year, many of the boys of the class played on the football and basketball teams. Our candidate, Elaine Kutsko, was elected Halloween Queen, and Barbara Ross reigned as 1952 Homecoming Queen. *Everybody's Crazy Now* was our Junior class play.

We worked steadily and secretly all year on the Jr.-Sr. Prom, which we think was the best ever. The theme was "Circus" and everyone had a terrific time at the "Big Top." A wonderful Jr.-Sr. Banquet was held on May 19.

The class of 1953 entertained us as hosts at the annual Jr.-Sr. picnic in May. It was held

at Pioneer Pavillion and most of the Junior boys got very wet! The class picnic in our Junior year was held in Roosevelt Park.

The Senior year is the busiest of all so we began early by ordering our name cards not too long after school started in September. The picture committee selected Chesshire Studio as our official photographer. Pictures were taken and work on the annual began. Commencement announcements were ordered after a model had been made up.

Annie Get Your Gun, was presented as the Senior Class Play. Since the auditorium in the new high school wasn't completed, the class plays were delayed until the first of the year, so that we could be the first to give a play in it.

In January a party for class members only was held. It was a blue jeans dance held in the high school gym. A novelty and square dance band was hired and we danced from 8 to 11 o'clock after which we had pop and donuts in the cafeteria. The party was such a success that three more were held before the end of the year.

The Jr.-Sr. Picnic, Senior Assembly, Class Day, Baccalaureate, and finally Commencement will ring out our School Days at Hubbard High School.

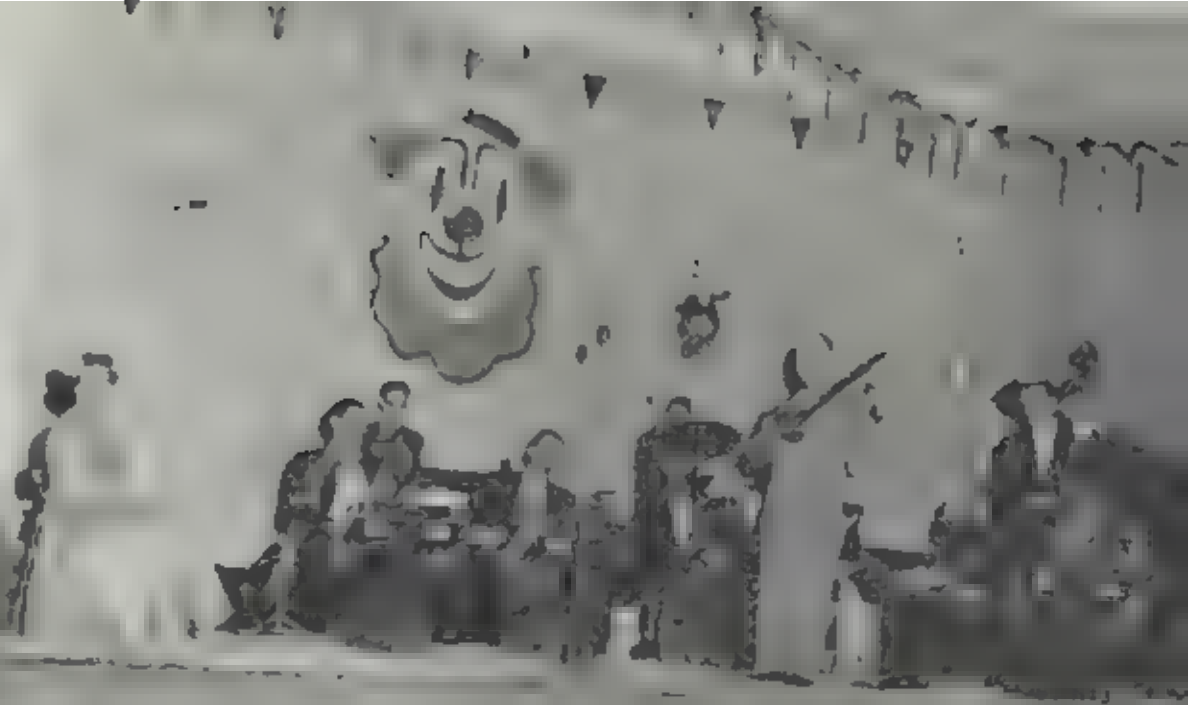

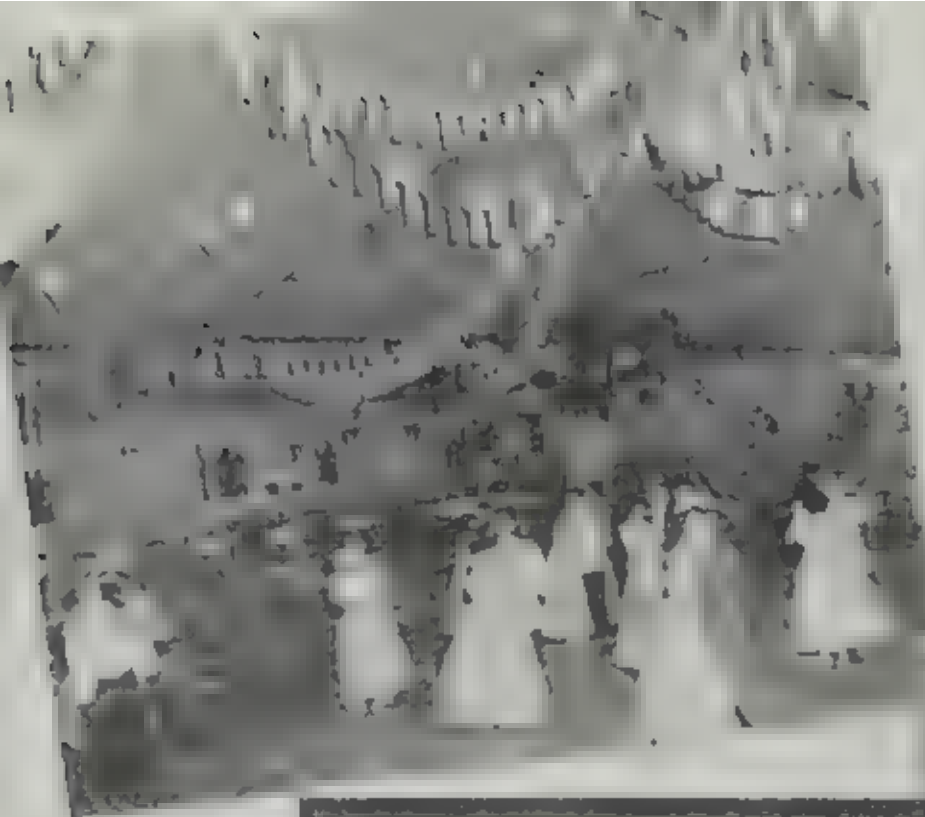

We seniors now look back on our high school life with a little regret in that we won't be coming back. We are looking to the future with hope and ambition, all recognizing the great influence which high school and our teachers had on our ultimate destinies.

CLASS PROPHECY

The circus has come to Hubbard, bringing back memories of our prom, The Big Top, given in our Junior year. The class of 1954 will join the circus to take a make-believe trip into the future to see what funny characters we could be.

In preparation of getting the circus under way, we see hard workers pulling the Big Top into position. There's Joe Pasquarella, Dick Baldine, Howard Slemons and Fred Rosile pounding in the stakes. A group of train cars are unloading—and who is that but Judy Doughton and her act of trained dogs, John Faber and his famous elephant act, and Mike Putkovich and his "Hot-Rods on Wheels," who are the feature attractions this week. Jeannette Pierce and "Tallulah," her talking horse, and Shirley Deal, who owns and operates a small Flea Show, join in to get their acts ready.

Is that food? It's coming from the circus food tent. There Pat Kelley is head cook, making the biggest flap-jacks known to all. Nancy Hettrick is waiting on the hungry show people. Andy Hill is carrying the empty trays back to be washed by Ed Fabian and Howard Burkey, head dish-washers.

It's about time for the big parade down the Main Street. Here it comes! Paula Kirkwood leads the parade on a beautiful white horse. The bare-back riders, Joan Kriech, Pat Webb, Pat Pascarella, and Emily Casey, follow on Shetland ponies.

It would not be complete without our circus band: Betty Brownlee blowing her trombone, Allen Zoller and the big base drum, Ed Shenk, Larry Brooks, and Tom Evans are playing the smaller drums. Jerome Tobey adds to the rhythm with the bass horn. As we watch the parade, we see some of the important members of the crowd. Sallie Kelley is Professor of Floral

Arts at Kent. President of the National Broadcasting Company is none other than James King. Joe Karcher is a major in the Air Corps, and Captain James Scarpine is with him, just home from a trip around the world. Elaine Kutsko, Pat Duke, and Jean Pedigo are teachers at Hubbard, but teaching isn't so bad with Ronnie Zetterquist as the principal. Some of the male faculty are Ronny Gergel, head football coach, Louis Cassimatis, Spanish, and Charles Dickson, speech.

At the grounds we are anxious to find what kind of jobs the others hold. At the main gate Eileen Kouger is selling tickets, and Joan Balzic is at the cash box making change for Carol Onesti, star reporter on the "Times." One of the first concessions we spy is Marie Clement's Pony Ride Stand, where Ruth Paviliska and Dean Clifton are taking advantage of the riding.

Why, that barker looks like — it is! John DePinto, announcing some of the side shows. They are featuring "The Rubber Man," Tom Orr; "The Fat Lady," Pat Pushkar; "Fire Eater," Tom Madeline; "Tiny Trio," consisting of Doris Knupp, Betty Skruck, and Lucille Hamlin, and "The Wild Man," Pete Snyder.

Concession stands have all the goodies from pop-corn to hot-dogs. Harold Edwards, Larry Puhalsky, and James Vernell are buying cotton-candy. Rita Phillips and Barb Ross are running the souvenir stand, trying to work their way through college. The Gypsy Fortune Teller is Ruth Halicki. She seems to be telling Harold Moyer's fortune. Jack Knirk is barking for another side show featuring the Hula Dancers, Terry Wigmore, Jean Scimone, and Velma Palmer. "The Snake Charmer" is Mimi Robinson. "The Man From Mars" is Bill Lloyd (they have tiny men on Mars).

CLASS PROPHECY

Under the Big Top we find Mr. McLaughlin portraying the Master of Ceremonies. Now the greatest show on earth will begin.

Over in the far corner of the tent is the Fire-house act done by three of the country's funniest clowns, Frank Petrek, Joe Skruck, and Frank Crea. In the first ring is Adaire Tobey, world famous lion tamer. Her assistant holding the chair is Betty Yeager, who also fills in as sword swallower. In the center rings are the "Three Redheads from Hubbard," Edith McKnight, Mary Jane Von Kennen, and Mary Foraker, and their daring acrobatic act. High up on the tight wires, Mary Ruth Cooksey and Nick Praznick thrill the crowd with their flying catches. In the third ring Reed May, the Magician, is sawing Grace Crytzer in half, while Barb Reno is walking on air. Waiting in the wings to come on are some of the finest acts ever found in the circus world. Bill Yuhas, Sharon LeMoine, Nancy Nadeja, and Nancy Roose are featured as the "Dare Devils on Wheels." Waiting with them is Margaret Johnston and her figure skating act.

Coming on from the far end now is Chief Jack Glod of the Youngstown reservation. With him are the brave warriors Steve Davis, Jack Blair, and Frank Dobson who are telling their squaws, Doris Polochalk, Elizabeth Petrinjak, and Ruth Evans, to make the blankets a little larger and the soup a little thicker. The Wild West Show is in the center ring now with Bill Reble doing his roping trick. Jack Reese is the Champion Bronco Buster. June Himes and Rita Greene are the only girls living who can out-ride and cut-shoot the famous Bob Welton, King of the Rodeo.

Outside the barker is announcing Phyllis Petten, Judy Hollenbank, Roger Paroz, and Ronnie McFarland on the tight ropes now. Larry Ambrose is the Strong Man who is now showing the crowd how he can lift Sophie Glus on an iron bar. Frank LaCivita, well-known as a Boy Scout Master, is telling a group of people in the private train car to the left of his experiences in scouting. Here comes Joe Dobos and Ruth Davis taking a large group of children to hear the Scout Master talk.

In the circus Aquarium we find pretty mermaids, fishes, and miniatures of famous ships. Barb Jameson, the High Diver, is there to meet us. Jackie St. John is an under-water ballerina. Her assistants are Howard Andrews, Pat Bennett, and Dave Shellito. Zeke Taylor has a large collection of fish and other under-water life. Richard Davis works in an under-water hotel waiting on tables down in Florida. Pat Walts is assisting Pat Pritchard in getting ready for her water skiing. Phillip Askew is running the motor boat.

Dave Kulow and Dale Werner are running around taking pictures of all the various acts. Right now their cameras are focused on Paul McFall and his Hill Billy Show. Maxine Martin is the vocal singer of the show and Willie Douglas calls square dancing and does some fancy yodeling.

The close has come to our fun of seeing the future with the Class of 1954, and I hope you have taken this as all just some good-natured fun. May you all succeed in the careers you pick. Good Luck, Everyone.

50th Anniversary

Miss Maude Reed

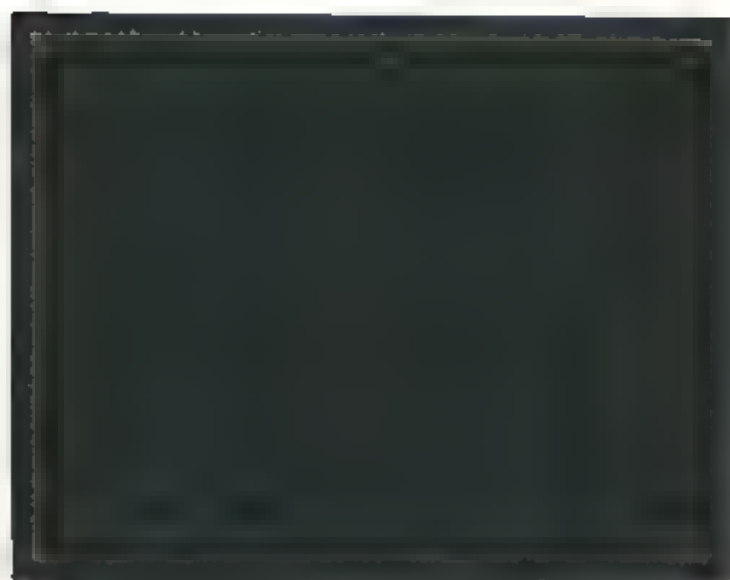

Miss Maude Reed, one of the most popular teachers in Hubbard High School, is expecting to celebrate her Golden Anniversary in the teaching profession in 1955. Miss Reed, a graduate of Hubbard High School in 1905, began her teaching career in the Hubbard Township schools in September of that year and has taught here since that time. This is a record no other person in our school system holds; perhaps this is a record for Ohio and maybe for the United States. Miss Reed is teaching the third generation of many of her students. Her list of former students is a veritable "Who's Who of Hubbard." Practically every person in Hubbard Township who attended school in the eighth grade has been taught by Miss Reed. This year she has moved to the new million-and-one-half-dollar school and is teaching ninth English. Many students have reported that they never knew English could be made so interesting. Whenever a student has a problem, he always knows to whom he can go for advice and sympathy. Everyone will be looking forward to an entire community celebration when Miss Reed begins her Golden Jubilee of teaching in September. We, as members of the Class of '54, wish to extend our congratulations and be one of the first to honor you. Lots of luck and good health, Miss Reed!

May you
find happiness all
through the year

This organization is the most outstanding student academic group in Hubbard High School. It is considered a great honor to be chosen as a member.

The principal nominates all students whose grades stand in the upper third of the Junior and Senior classes. A committee of teachers, appointed by the principal pick from these candidates approximately five per cent of the enrollment of the Juniors and fifteen per cent of the Seniors. Selection is made upon a four-point basis including scholarship, leadership, service and character. Membership continues only as long as the student maintains his high standards

The Student Council, one of the most important organizations in Hubbard High School, is the voice of the student body. It is through Student Council that each student, by expressing his ideas, helps improve the standards of the school and to settle any educational problems.

Each home room elects a student in their room to represent them at meetings, which are held every other week.

Some of the chief projects for our new school this year were the successful monitor system, the program for the Homecoming football game, and the supply room.

MONITORS

The duties of the monitors are to help keep the halls clear and orderly and to guide or assist all persons that visit our school

All monitors must have the following qualities: Friendliness, good scholastic rating, honesty and the ability to handle any problem that may occur around their posts

A CAPPELLA CHORUS

There are sixty members in the A Cappella Chorus under the direction of Mr. Jenkins, who, before coming to Hubbard, had served at various times as vocal director in Howland, Leetonia and Columbiana.

The chorus meets every Monday, Wednesday and Friday. It is the first time in Hubbard history that we have had an A Cappella Chorus, with the best vocal students from grades 9 to 12 participating. Jacqueline St. John is accompanist and student director.

The Chorus participated in the annual concert.

They sang with the Sheet and Tube Chorus and the Arion Chorus.

MIXED CHORUS

The mixed chorus consists of all students enrolled in the vocal classes and choral groups, and number two hundred and forty voice.

The chorus presented the selections "Beautiful Savior" (Christiansen) and "God of Our Fathers" (Warren-Johnson) and were accompanied by a brass ensemble during the annual vocal concert.

GIRLS' GLEE CLUB

The Girls' Chorus consists of one hundred and forty members. Girls from the ninth through the twelfth grades, wishing to improve their vocal talents, may volunteer for the training.

The Chorus has rehearsals three times during the week under the direction of Mr. Gwynne Jenkins, one of the most noted choral directors in the country.

They combined with other groups in a music festival given in March in the Senior High School Auditorium. This annual spring music festival gave all music lovers a rare treat.

The four planks of the H-Y platform are Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living. The purpose of the H-Y is, "To create, maintain, and extend throughout the school and community high standards of Christian character."

H-Y is a voluntary club program for boys in grades eleven and twelve. The club is sponsored by the Young Men's Christian Association. Its name is a combination of the term "high school Y M C A." The H-Y movement is international in scope, christian in emphasis, interdenominational in character and democratic in practice.

The Y M C A presents inter club programs such as training conferences, social affairs, civic day, etc. A very important task is serving the individual club every way possible.

The Dramatics Club is designed to give students an opportunity to express themselves, gain self confidence, and win recognition through the medium of the stage and acting.

The one-act plays, variety and talent shows sponsored by the club not only benefit those who perform, but provide clean entertainment and wholesome relaxation for the entire student body during assembly programs.

Due to the delay in completion of the auditorium and the presentation of all class plays, assemblies, etc. this year, the Dramatics Club did not have access to the auditorium and stage as often as would have been desired. Thus, a very limited program was the best that could be carried out. Next year, however, the club is planning a full schedule of talent shows, variety shows, one-act plays and other good quality performances.

We've come so far from the Little Red School . . . the place Grandpa left to go out into the world. The simple training that he acquired in that one-room building of long ago was SO vastly different from yours!

Education has leaped right along with the hurried advance of science and industry . . . and youth has discovered complexities early . . . so early that some of the most startling finds in the world of invention today have come from the minds of the very young.

Take the vast store of wisdom that these years of study have given you. Take it right on to new fields of knowledge . . . to college, to business, to the career you choose. Remember that most knowledge has been recorded in books . . . so continue to study, continue to work towards GREATER heights of perfection.

Our best wishes go with you all of the way!

CONGRATULATIONS CLASS OF '54

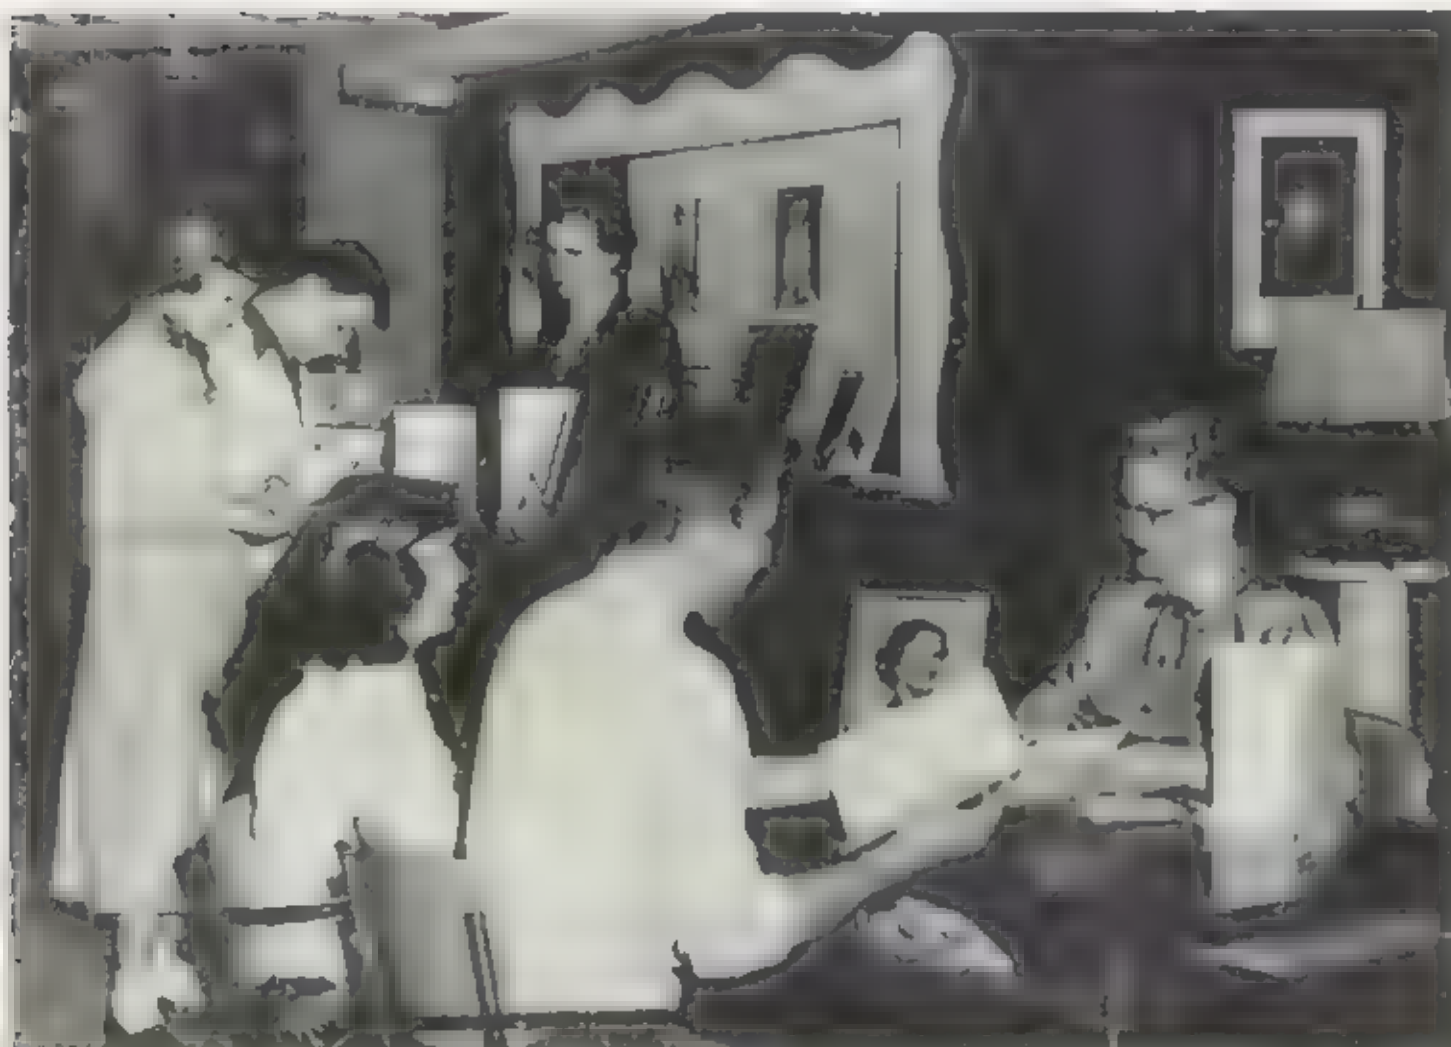

So neigh is grandeur to our dust,
So near is God to man.
When duty whispers low, "Thou must!"
The youth replies, "I can."
